

ANDINA MINERALS INC.

MANAGEMENT INFORMATION CIRCULAR

May 6, 2010

Solicitation of Proxies

This management information circular (the “Circular”) is furnished in connection with the solicitation of proxies by the management of Andina Minerals Inc. (the “Corporation”) for use at the annual and special meeting of shareholders (the “Meeting”) of the Corporation to be held at the time and place and for the purposes set forth in the accompanying Notice of Annual and Special Meeting. References in this Circular to the Meeting include any adjournment or adjournments or postponement or postponements thereof. It is expected that the solicitation will be primarily by mail. However, proxies may also be solicited personally by regular employees of the Corporation, or by its directors. While no arrangements have been made to date by the Corporation, the Corporation may also use the services of an outside proxy solicitation agency to solicit proxies. The cost of solicitation will be borne by the Corporation.

The board of directors of the Corporation (the “Board”) has fixed the close of business on May 6, 2010 as the record date, being the date for the determination of the registered holders of securities entitled to receive notice of the Meeting. Duly completed and executed proxies must be received by the Corporation’s transfer agent addressed to: **President and Chief Executive Officer of Andina Minerals Inc., c/o Equity Transfer & Trust Company, Attention: Corporate Trust Department, 200 University Avenue, Suite 400, Toronto, Ontario, M5H 4H1**, no later than forty-eight hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting, or delivered to the Chairman of the Meeting at the Meeting.

Unless otherwise stated, the information contained in this Circular is as of May 6, 2010. All dollar amounts referenced in this Circular, unless otherwise indicated, are expressed in Canadian dollars.

Appointment and Revocation of Proxies

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. **A shareholder desiring to appoint some other person, who need not be a shareholder, to represent him, her or it at the Meeting, may do so by striking out the names of the nominees of management and inserting such other person’s name in the blank space provided in the enclosed form of proxy or by completing another proper form of proxy and, in either case, depositing the completed and executed proxy at the office of the Corporation’s transfer agent addressed to: President and Chief Executive Officer of Andina Minerals Inc. c/o Equity Transfer & Trust Company, Attention: Corporate Trust Department, 200 University Avenue, Suite 400, Toronto, Ontario, M5H 4H1, no later than forty-eight hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment or postponement thereof, or delivered to the Chairman of the Meeting at the Meeting.**

A shareholder forwarding the enclosed proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The shares represented by the proxy submitted by a shareholder will be voted in accordance with the directions, if any, given in the proxy.

A proxy given pursuant to this solicitation may be revoked by an instrument in writing executed by a shareholder or by a shareholder's attorney authorized in writing (or, if the shareholder is a company, by a duly authorized officer or attorney) and deposited either at the registered office of the Corporation at Suite 300, 56 Temperance Street, Toronto, Ontario M5H 3V5; Attention: President and Chief Executive Officer of Andina Minerals Inc. no later than forty-eight hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment or postponement thereof, or delivered to the Chairman of the Meeting at the Meeting.

Exercise of Discretion by Proxies

The persons named in the enclosed form of proxy will vote or withhold from voting the shares in respect of which they are appointed in accordance with the direction of the shareholders appointing them. **In the absence of such direction, such shares will be voted in favour of the passing of all the resolutions described below. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Annual and Special Meeting and with respect to other matters which may properly come before the Meeting.** At the time of printing of this Circular, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters that are not now known to management should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Voting by Non-Registered Shareholders

The information set forth in this section is of significant importance to many shareholders of the Corporation, as a substantial number of shareholders do not hold shares in their own name. Only registered shareholders of the Corporation or the persons they appoint as their proxies are permitted to vote at the Meeting. Most shareholders of the Corporation are "non-registered" shareholders ("**Non-Registered Shareholders**") because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Shareholder deals with in respect of the shares of the Corporation (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant. In accordance with applicable securities law requirements, the Corporation will have distributed copies of the Notice of Annual and Special Meeting, this Circular, the form of proxy and the supplemental mailing list return card (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (i) be given a voting instruction form which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Shareholder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "**voting instruction form**") which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for the form of proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and

submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or

- (ii) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with the Corporation, addressed to: **President and Chief Executive Officer of Andina Minerals Inc., c/o Equity Transfer & Trust Company, Attention: Corporate Trust Department, 200 University Avenue, Suite 400, Toronto, Ontario, M5H 4H1.**

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the shares of the Corporation they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the form of proxy and insert the Non-Registered Shareholder or such other person's name in the blank space provided. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or voting instruction form is to be delivered.**

A Non-Registered Shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote which is not received by the Intermediary at least seven days prior to the Meeting.

Interest of Certain Persons in Matters to be Acted Upon

Except as disclosed herein, no Person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors or the appointment of auditors. For the purpose of this paragraph, "Person" shall include each person: (i) who has been a director or executive/senior officer of the Corporation at any time since the commencement of the Corporation's last financial year; (ii) who is a proposed nominee for election as a director of the Corporation; or (iii) who is an associate or affiliate of a person included in (i) or (ii).

Voting Securities and Principal Holders Thereof

As of the date hereof, 107,610,107 common shares (the "**Common Shares**") in the capital of the Corporation are issued and outstanding, being the only class of shares outstanding and entitled to vote at the Meeting. Each Common Share entitles the holder thereof to one vote on all matters to be acted upon at the Meeting. The record date for the determination of shareholders entitled to receive notice of the Meeting has been fixed at May 6, 2010. In accordance with the provisions of the *Business Corporations Act* (Alberta) ("**ABCA**"), the Corporation will prepare a list of holders of Common Shares as of such record date. Each holder of Common Shares named in the list will be entitled to vote the Common Shares shown opposite his or her name on the list at the Meeting, except to the extent that (i) the shareholder has transferred any of his or her Common Shares after the record date, and (ii) the transferee of those Common Shares produces properly endorsed Common Share certificates or otherwise establishes that he or she owns such Common Shares and demands not later than 4:30 p.m. (Toronto time) ten days prior to the Meeting that his or her name be included in the list before the Meeting, in which case the transferee is entitled to vote his or her Common Shares at the Meeting. All such holders of record of Common Shares are entitled either to attend and vote thereat in person the Common Shares held by them or, provided a completed and executed proxy shall have been delivered to the Corporation's transfer agent within the time specified in the attached Notice of Annual and Special Meeting, to attend and vote thereat by proxy the Common Shares held by them.

A quorum for the transaction of business at the Meeting shall be shareholders present not being less than two in number and holding in the aggregate 5% of the shares entitled to vote at the Meeting.

To the knowledge of the directors and senior officers of the Corporation, as of the date hereof, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to any class of voting securities of the Corporation.

Compensation Discussion and Analysis

The Corporation's approach to executive compensation has been to provide suitable compensation for executives that is internally equitable, externally competitive and reflects individual achievement. The Corporation attempts to maintain compensation arrangements that will attract and retain highly qualified individuals who are capable of carrying out the objectives of the Corporation.

The Corporation's compensation arrangements for the Corporation's Chief Executive Officer, Chief Financial Officer and Vice President, Project Development (together, the "**Named Executive Officers**") may, in addition to salary, include compensation in the form of bonuses and, over a longer term, benefits arising from the grant of stock options. Given the stage of development of the Corporation and the fact that it has not yet attained commercial production, compensation of the Named Executive Officers to date has emphasized meaningful stock option awards to attract and retain the Named Executive Officers and, to a certain extent, conserve cash. In the event that the Corporation achieves commercial production in the future, this policy may be re-evaluated to instead emphasize increased base salaries and cash bonuses with a reduced reliance on option awards. Signing bonuses may in the future form part of the compensation packages offered to senior management where the Board believes it is necessary to entice individuals to join the Corporation.

Mr. Hansen, the President and Chief Executive Officer of the Corporation until January 19, 2009, had an employment contract with the Corporation effective January 1, 2007, pursuant to which he received compensation in the amount of \$175,000 for fiscal 2007. As a result of its annual review of Mr. Hansen's compensation, the Human Resources and Corporate Governance Committee increased Mr. Hansen's annual compensation to \$225,000 effective January 1, 2008. Mr. Hansen was also paid a bonus of \$100,000 related to his performance in 2007. Pursuant to the terms of an amended employment agreement between Mr. Hansen and the Corporation effective September 11, 2008, Mr. Hansen's annual salary was increased to \$250,000. Under the agreement, Mr. Hansen is also entitled to an annual bonus to be awarded at the sole discretion of the Human Resources and Corporate Governance Committee and to participate in a health and insurance benefit plan provided by the Corporation. Mr. Hansen was also paid a bonus of \$50,000 related to his performance in 2008. Mr. Hansen resigned as President and Chief Executive Officer effective January 19, 2009 and remained in the employment of the Corporation until February 28, 2009. Pursuant to the terms of his employment contract effective September 11, 2008, Mr. Hansen received a \$100,000 payment upon his resignation as President and Chief Executive Officer and received \$400,000 upon the termination of his employment effective February 28, 2009.

Mr. Pladsen, the Chief Financial Officer of the Corporation until June 30, 2009, had an employment contract with the Corporation effective January 1, 2008, pursuant to which he was entitled to compensation of \$1,100 per working day. Mr. Pladsen was also entitled to an annual bonus to be awarded at the sole discretion of the Human Resources and Corporate Governance Committee and to participate in a health and insurance benefit plan provided by the Corporation. Mr. Pladsen resigned as Chief Financial Officer effective June 30, 2009. Pursuant to the terms of his employment contract effective January 1, 2008, Mr. Pladsen received \$218,500 upon the termination of his employment effective June 30, 2009.

Mr. George Bee, the current President and Chief Executive Officer of the Corporation, entered into an employment agreement with the Corporation effective January 19, 2009. Under the agreement, Mr. Bee is entitled to an annual salary of \$325,000 and an annual bonus to be awarded at the sole discretion of the Human Resources and Corporate Governance Committee applying such personal and corporate performance measures as it considers appropriate. As a result of its annual review of Mr. Bee's compensation, the Human Resources and Corporate Governance Committee increased Mr. Bee's annual compensation to \$341,250 effective January 1, 2010. Mr. Bee is also entitled to participate in a health and insurance benefit plan provided by the Corporation. Mr. Bee was awarded 1,000,000 options at time of entering into the employment agreement as a means to provide an incentive to senior management to

work towards the long term success of the Corporation and to align the interests of management and shareholders by allowing senior management to potentially participate in ownership of the Corporation.

Mr. Keith McKay, the current Chief Financial Officer of the Corporation, entered into an employment agreement with the Corporation effective March 2, 2009. Under the agreement, Mr. McKay is entitled to an annual salary of \$275,000 and an annual bonus to be awarded at the sole discretion of the Human Resources and Corporate Governance Committee applying such personal and corporate performance measures as it considers appropriate. As a result of its annual review of Mr. McKay's compensation, the Human Resources and Corporate Governance Committee increased Mr. McKay's annual compensation to \$288,750 effective January 1, 2010. Mr. McKay is also entitled to participate in a health and insurance benefit plan provided by the Corporation. Mr. McKay was awarded 500,000 options at time of entering into the employment agreement as a means to provide an incentive to senior management to work towards the long term success of the Corporation and to align the interests of management and shareholders by allowing senior management to potentially participate in ownership of the Corporation.

Mr. Alejandro Labbé, the current Vice President, Project Development of the Corporation, entered into an employment agreement with the Corporation effective February 18, 2009. Under the agreement, Mr. Labbé is entitled to an annual salary of \$100,000,000 Chilean Pesos and an annual performance bonus to be awarded upon the achievement of annual performance targets and with the approval of the Human Resources and Corporate Governance Committee. As a result of its annual review of Mr. Labbé's compensation, the Human Resources and Corporate Governance Committee increased Mr. Labbé's annual compensation to \$105,000,000 Chilean Pesos effective January 1, 2010. Mr. Labbé was awarded 200,000 options at time of entering into the employment agreement as a means to provide an incentive to senior management to work towards the long term success of the Corporation and to align the interests of management and shareholders by allowing senior management to potentially participate in ownership of the Corporation.

The compensation program of the Corporation is designed to reward such matters as exploration and development success, market success, share performance, and the ability to implement strategic plans. The Human Resources and Corporate Governance Committee reviews the compensation of the Named Executive Officers on a yearly basis, having regard to such matters as what companies at a similar stage of development to the Corporation pay other executives occupying similar offices, the time and effort each officer is required to devote to the Corporation, the officer's success in developing strategic plans for the Corporation and the results of implementing the plans. The current overall objective of the Corporation's compensation strategy is to reward management for their efforts, while seeking to conserve cash given current market conditions. With respect to any bonuses or stock option grants which may be awarded to executive officers in the future, the Corporation has not currently set any objective criteria and will instead rely upon any recommendations of the Human Resources and Corporate Governance Committee, and discussion at the Board level with respect to these and any other matters which the Board may consider relevant on a going-forward basis, including the cash position of the Corporation.

Existing options held by the Named Executive Officers at the time of subsequent option grants are taken into consideration in determining the quantum or terms of any such subsequent option grants. Options have been granted to directors, management, employees and certain service providers as long-term incentives to align the individual's interests with those of the Corporation. The size of the option awards is in proportion to the deemed ability of the individual to make an impact on the Corporation's success.

Termination and Change of Control Benefits

Mr. Carl Hansen was the President and Chief Executive Officer of the Corporation until January 19, 2009. Under an employment contract with the Corporation effective September 11, 2008, if the Corporation terminated Mr. Hansen's employment without cause, Mr. Hansen was entitled to receive an amount equal to two years' base salary. In addition, Mr. Hansen was entitled to continued participation in the Corporation's health and insurance benefit plan (except for life insurance and disability coverage) for 12 months following termination, and any options held by Mr. Hansen would vest and be carried to their full term. In the event of a change of control of the Corporation, if Mr. Hansen gave written notice of resignation to the Corporation within 60 days of the change of control specifying a date of resignation not

more than 75 days following the change of control, Mr. Hansen would be entitled to an amount equivalent to two years' base salary and the aggregate of the bonus received by Mr. Hansen for each of the two most recent fiscal years completed prior to the date of such bonus. In addition, Mr. Hansen was entitled to continued participation in the Corporation's health and insurance benefit plan (except for life insurance and disability coverage) for 12 months following termination, and any options held by Mr. Hansen would vest and be carried to their full term. Mr. Hansen resigned as President and Chief Executive Officer effective January 19, 2009 and remained in the employment of the Corporation until February 28, 2009. Pursuant to the terms of his employment contract effective September 11, 2008, Mr. Hansen received a \$100,000 payment upon the appointment of Mr. George Bee as President and Chief Executive Officer of the Corporation and received \$400,000 upon the termination of his employment effective February 28, 2009.

Mr. Thomas Pladsen was the Chief Financial Officer of the Corporation until June 30, 2009. Under an employment contract with the Corporation effective January 1, 2008, if the Corporation terminated Mr. Pladsen's employment without cause, Mr. Pladsen was entitled to receive an amount equal to two times his base salary for the previous 12 months. In addition, Mr. Pladsen was entitled to continued participation in the Corporation's health and insurance benefit plan (except for life insurance and disability coverage) for 12 months following termination, and any options held by Mr. Pladsen would vest and be exercisable until the earlier of the original expiry date and one year from the termination date. In the event of a change of control of the Corporation, if Mr. Pladsen gave written notice of resignation to the Corporation within 60 days of the change of control specifying a date of resignation not more than 75 days following the change of control, Mr. Pladsen would be entitled to an amount equivalent to two times his base salary for the previous 12 months and the aggregate of the bonus received by Mr. Pladsen for each of the two most recent fiscal years completed prior to the date of such bonus. In addition, Mr. Pladsen was entitled to continued participation in the Corporation's health and insurance benefit plan (except for life insurance and disability coverage) for 12 months following termination, and any options held by Mr. Pladsen would vest and be exercisable until the earlier of the original expiry date and one year from the termination date. Mr. Pladsen resigned as Chief Financial Officer effective June 30, 2009. Pursuant to the terms of his employment contract effective January 1, 2008, Mr. Pladsen received a \$218,500 payment upon the termination of his employment effective June 30, 2009.

Mr. George Bee, the current President and Chief Executive Officer of the Corporation, entered into an employment agreement with the Corporation effective January 19, 2009. Under the agreement, if the Corporation terminates Mr. Bee's employment without cause, or if Mr. Bee terminates the employment for "good reason", Mr. Bee is entitled to receive an amount equal to two years' base salary. In addition, Mr. Bee is entitled to continued participation in the Corporation's health and insurance benefit plan until the earlier of Mr. Bee obtaining alternate coverage under the terms of any new employment and the second anniversary of the termination date, and any options held by Mr. Bee that have vested would be exercisable until the earlier of the original expiry date and one year from the termination date. If within six months of a "change of control" of the Corporation, the Corporation terminates Mr. Bee's employment without cause, or a "triggering event" occurs and Mr. Bee elects to terminate his employment, Mr. Bee is entitled to receive an amount equal to two years' base salary plus an amount in lieu of the value of any annual bonus that Mr. Bee would have earned had he been employed for a period of 24 months following termination. The amount payable in lieu of the value of any annual bonus that Mr. Bee would have earned is calculated as the product of (X) the average fiscal year end bonus (excluding any retention bonus) paid to Mr. Bee for the two fiscal years prior to the fiscal year in which his employment is terminated divided by 12 months, and (Y) 24 months; but if Mr. Bee has not been employed for two fiscal years at the time of his termination, the amount in lieu of any annual bonus shall be two times a target bonus of 30% of Mr. Bee's base salary. In addition, Mr. Bee is entitled to continued participation in the Corporation's health and insurance benefit plan until the earlier of Mr. Bee obtaining alternate coverage under the terms of any new employment and the second anniversary of the termination date, and any options held by Mr. Bee would immediately vest and be exercisable until the earlier of the original expiry date and one year from the termination date. Therefore, if a change of control of the Corporation had occurred as of December 31, 2009, or if Mr. Bee was terminated without cause as of December 31, 2009, or if Mr. Bee had terminated the employment for "good reason" as of December 31, 2009, Mr. Bee would have been entitled to a payment of \$650,000 (taking into account only the entitlement to two years' base salary in such circumstances).

Mr. Keith McKay, the current Chief Financial Officer of the Corporation, entered into an employment agreement with the Corporation effective March 2, 2009. Under the agreement, if the Corporation

terminates Mr. McKay's employment without cause, or if Mr. McKay terminates the employment for "good reason", Mr. McKay is entitled to receive an amount equal to two years' base salary. In addition, Mr. McKay is entitled to continued participation in the Corporation's health and insurance benefit plan until the earlier of Mr. McKay obtaining alternate coverage under the terms of any new employment and the second anniversary of the termination date, and any options held by Mr. McKay that have vested would be exercisable until the earlier of the original expiry date and one year from the termination date. If within six months of a "change of control" of the Corporation, the Corporation terminates Mr. McKay's employment without cause, or a "triggering event" occurs and Mr. McKay elects to terminate his employment, Mr. McKay is entitled to receive an amount equal to two years' base salary plus an amount in lieu of the value of any annual bonus that Mr. McKay would have earned had he been employed for a period of 24 months following termination. The amount payable in lieu of the value of any annual bonus that Mr. McKay would have earned is calculated as the product of (X) the average fiscal year end bonus (excluding any retention bonus) paid to Mr. McKay for the two fiscal years prior to the fiscal year in which his employment is terminated divided by 12 months, and (Y) 24 months; but if Mr. McKay has not been employed for two fiscal years at the time of his termination, the amount in lieu of any annual bonus shall be two times a target bonus of 30% of Mr. McKay's base salary. In addition, Mr. McKay is entitled to continued participation in the Corporation's health and insurance benefit plan until the earlier of Mr. McKay obtaining alternate coverage under the terms of any new employment and the second anniversary of the termination date, and any options held by Mr. McKay would immediately vest and be exercisable until the earlier of the original expiry date and one year from the termination date. Therefore, if a change of control of the Corporation had occurred as of December 31, 2009, or if Mr. McKay was terminated without cause as of December 31, 2009, or if Mr. McKay had terminated the employment for "good reason" as of December 31, 2009, Mr. McKay would have been entitled to a payment of \$550,000 (taking into account only the entitlement to two years' base salary in such circumstances).

Mr. Alejandro Labbé, the current Vice President, Project Development of the Corporation, entered into an employment agreement with the Corporation effective February 18, 2009. Under the agreement, if within six months of a "change of control" of the Corporation, the Corporation terminates Mr. Labbé's employment without cause, Mr. Labbé is entitled to receive an amount equal to two years' base salary. Therefore, if a change of control of the Corporation had occurred as of December 31, 2009, Mr. Labbé would have been entitled to a payment of \$200,000,000 Chilean Pesos.

The total number of Common Shares issuable under the 2009 SOP is set at 10% of the issued Common Shares outstanding at the time of any option grant less the aggregate number of Common Shares reserved for issuance or issuable under any other security base compensation arrangement of the Corporation (subject to adjustment as set forth in the 2009 SOP and further subject to all applicable rules and regulations to which the Corporation is subject including those of the TSXV).

Summary of the 2009 SOP

The 2009 SOP has the following key features:

- The maximum number of Common Shares that may be issued under options granted under the 2009 SOP is equal to 10% of the issued and outstanding Common Shares less the aggregate number of Common Shares reserved for issuance or issuable under any other security based compensation arrangement of the Corporation (including the 2003 SOP).
- Unless the Corporation has received disinterested shareholder approval, the maximum number of Common Shares that may be issued to any: (i) individual in any 12 month period under the 2009 SOP may be no more than 5% of the issued and outstanding Common Shares; (ii) insider under the 2009 SOP may be no more than 10% of the issued and outstanding Common Shares; and (iii) insider in any 12 month period under the 2009 SOP may be no more than 10% of the issued and outstanding Common Shares; less the aggregate number of shares reserved for issuance or issuable under any other security based compensation arrangement of the Corporation (including the 2003 SOP).
- Options may be granted to eligible participants (“**Eligible Participants**”) from time to time. Eligible Participants include: directors and senior officers of the Corporation or its subsidiaries, present and future; and employees and consultants of the Corporation or its subsidiaries, present and future.
- The exercise price for each option is fixed by the Board at the time of the grant in compliance with the 2009 SOP, applicable law, and the policies of the TSXV, which state that the exercise price will be no less than the “discounted market price” (as determined in accordance with the policies of the TSXV). The exercise price is denominated in Canadian dollars.
- Options will be exercisable in whole or in part, and from time to time, at any time following the date of grant and prior to the expiry of their term, but provided that if an option expires during a black-out period, then the option shall remain exercisable until the period ending two trading days after the end of such black-out period.
- Options cannot be granted for a term exceeding 10 years.
- Options granted shall vest, and become exercisable, according to the terms in the 2009 SOP and the discretion of the Board.
- Options granted pursuant to the 2009 SOP are non-transferable and non-assignable, other than by will or by the laws of descent and distribution or to a permitted assign.
- Options are subject to early termination in the event that an optionee ceases to be an Eligible Participant. Subject to the discretion of the Board to determine otherwise, if any Eligible Participant ceases to be an Eligible Participant of the Corporation for any reason, other than for cause or death, the option held by such person shall terminate on the earlier of (i) the expiry date

of the option, and (ii) one year from the date such person ceases to be an Eligible Participant, or such other date as may be determined by the Board at the time that such Eligible Participant ceases to be eligible, unless an existing agreement between the Eligible Participant and the Corporation provides for a different run-off period in which case the terms of that agreement shall continue to be applicable; but provided in all circumstances that no options shall be exercisable after the expiry date of the options.

- In the event of termination for cause, unexercised options are immediately cancelled and thereafter are of no force or effect.
- In the event of the death of an Eligible Participant, options may continue to be exercised up to one year following the death, but not beyond the normal expiry of the term of the option.
- If a bona fide offer to purchase all of the issued Common Shares of the Corporation is made by a third party, or the Corporation proposes to sell all or substantially all of its assets and undertaking, or the Corporation, in certain circumstances, proposes to merge, amalgamate or be absorbed by or into any other corporation (save and except for a subsidiary) or the Corporation proposes an arrangement as a result of which all of the outstanding Common Shares would be acquired by a third party, then upon completion of any of the foregoing transactions, an option granted under the 2009 SOP may be exercised (whether or not such option has vested) at any time up to and including (but not after) the expiry date of the option; and the Corporation may require the acceleration of the time for the exercise of the option and of the time for the fulfillment of any conditions or restrictions on such exercise. Upon completion of any of the foregoing transactions, an Eligible Participant who thereafter shall exercise an option shall accept in lieu of the number of Common Shares to which such Eligible Participant was entitled upon such exercise, the aggregate number of shares, other securities or other property which such Eligible Participant would have been entitled to receive as a result of such transaction if, on the effective date, the Eligible Participant had been the registered holder of the number of Common Shares to which such Eligible Participant was theretofore entitled upon exercise, except that if the Corporation is not able to procure compliance by the issuer or payee of the shares, securities or other property then the Eligible Participant shall accept the Common Shares that they would be entitled to receive on exercise of the option.

Summary of the 2003 SOP

The 2003 SOP is a “rolling” 10% stock option plan, pursuant to which the Board of the Corporation may from time to time, in its discretion, grant to directors, officers, employees, and consultants of the Corporation, or any subsidiary of the Corporation, the option to purchase Common Shares of the Corporation. The total number of Common Shares issuable pursuant to the 2003 SOP is fixed at 10% of the issued Common Shares outstanding at the time of any option grant, subject to adjustment as set forth in the 2003 SOP, and further subject to the applicable rules and regulations of all regulatory authorities to which the Corporation is subject, including the TSXV.

The rules and regulations of the TSXV require that all “rolling” stock option plans be approved by the shareholders of TSXV listed companies annually at the company’s annual general meeting.

Pursuant to the terms of the 2003 SOP, the number of Common Shares reserved for issuance to any one person shall not exceed 5% of the issued and outstanding Common Shares. The Board determines the price per Common Share and the number of Common Shares that may be allotted to each director, officer, employee and consultant and all other terms and conditions of the option, subject to the rules of the TSXV. The price per Common Share set by the Board shall not be less than the last price at which a full board lot of Common Shares was, on the last business day prior to the date on which such option is granted, traded on the TSXV or such other principal market on which the Common Shares are then traded, less the applicable discount permitted (if any) by such applicable exchange or market. Options under the 2003 SOP are non assignable. Upon the death of an option holder, the options shall terminate on the date determined by the Board, which date shall not be later than the earlier of (i) the expiry date of the option; and (ii) one year from the date of death. If an option holder shall no longer be a director or officer of, an employee of, be in the employ of, or be providing ongoing management or consulting services to, the Corporation, the options shall terminate on (a) the earlier of (i) the expiry date of the

options, and (ii) one year from the date on which the option holder ceases to be a director or officer of, an employee of, be in the employ of, or be providing ongoing management or consulting services to, the Corporation, or (b) such other expiry date, not exceeding the expiry date of the options, as may be determined by the Board at the time that the option holder ceases to be a director or officer of, an employee of, be in the employ of, or be providing ongoing management or consulting services to, the Corporation.. The number of Common Shares that the option holder (or his or her heirs or successors) shall be entitled to purchase until the termination date shall be the number of Common Shares which the option holder was entitled to purchase on the date of death or the date the option holder ceased to be an officer, director or employee of, or ceased providing ongoing management or consulting services to, the Corporation, as the case may be.

APPENDIX "A" STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Background

Effective June 30, 2005, the Canadian Securities Administrators ("**CSA**") adopted National Policy 58-201 - Corporate Governance Guidelines (the "**Policy**") and National Instrument 58-101 – Disclosure of Corporate Governance Practices ("**NI 58-101**" and together with the Policy, the "**CSA Governance Rules**"). The CSA Governance Rules require that we set out the mandated disclosure required under NI 58-101, with reference to the "best practices" set out in the Policy.

To comply with these various standards and achieve best practices, we have adopted comprehensive corporate governance policies and procedures. Our key policies and documents include the following:

- Charter of the Board
- Audit Committee Charter
- Human Resources and Corporate Governance Committee Charter
- Code of Business Conduct and Ethics
- Policy Respecting Disclosure & Insider Trading

The text of these documents is available in print to any shareholder upon request.

Our current governance practices are substantially in compliance with the CSA Governance Rules as they apply to venture issuers. The "best practices" set out in the Policy are based on governance principles that are supported by the CSA and are meant to be applied to the unique situation of each issuer on a principled basis. To the extent our practices vary from those suggested in the Policy, we believe such variance is appropriate for the Corporation.

The Corporation and the Board recognize the importance of corporate governance to the effective management of the Corporation and to the protection of its employees and shareholders. The Corporation's approach to significant issues of corporate governance is designed with a view to ensuring that the business and affairs of the Corporation are effectively managed so as to enhance shareholder value.

Board of Directors

The Board is currently comprised of six directors, five of whom are "independent" as such term is defined in Multilateral Instrument 52-110 – *Audit Committees* ("**MI 52-110**"). Pursuant to MI 52-110 an independent director is one who is free from any direct or indirect relationship with the issuer which could, in the view of the issuer's board of directors, be reasonably expected to interfere with the exercise of a director's independent judgment. Mr. Bee is not independent under these standards as Mr. Bee is the President and Chief Executive Officer of the Corporation. Five of the six nominees for election as a director of the Corporation at the Meeting are "independent" as such term is defined in MI 52-110.

The charter of the Board (the "**Board Charter**") requires that the Board be constituted at all times with at least two independent directors. The Board, with the assistance of the Human Resources and Corporate Governance Committee of the Corporation (the "**HRCG Committee**") regularly reviews the composition of the Board and ensures that it respects the independence criteria.

Common Board Memberships

The Board has not adopted a policy relating to the ability of directors to serve on boards of other public issuers but believes that disclosure of common board memberships is important. There are currently three directors of the six nominees whose names are set forth above who are members of the board of another public company.

Mr. Harvey sits on the Board of Directors of (i) Allied Gold Limited, a mineral exploration company listed on the Australian Securities Exchange ("**ASX**"), London Stock Exchange and TSX; (ii) Nord Resources Corp., a mineral exploration company listed on the TSX; (iii) Perseus Mining Limited, a mineral exploration company listed on the ASX, Frankfurt Stock Exchange and TSX; and (iv) Victoria Gold Corporation, a

mineral exploration company listed on the TSXV. Mr. Harvey is a member of the audit committees of (i) Nord Resources Corp., (ii) Perseus Mining Limited and (iii) Victoria Gold Corporation.

Mr. Laing sits on the Board of Directors of Hy Lake Gold Inc., a mineral exploration company listed on the Canadian National Stock Exchange.

Mr. Downey sits on the Board of Directors of Mundoro Mining Inc., a mineral exploration company listed on the TSX; Argentex Mining Corporation, a mineral exploration company listed on the TSX; Corex Gold Corporation, a mineral exploration company listed on the TSXV; and Aura Minerals Inc., a mineral exploration, development and production company listed on the TSX.

Orientation and Continuing Education

Given the size of the Corporation, the Board does not have a formal orientation program for new directors and does not have any formal continuing education for its members. As a result, the Board provides *ad hoc* orientation for new directors. On occasion, the Board provides directors with information regarding topics relating to their duties as directors, such as fiduciary duties and continuous disclosure obligations. The Board also ensures that each director is up-to-date with current information regarding the business of the Corporation, the role the director is expected to fulfill and basic procedures and operations of the Board. Board members also have access to management and other employees and advisors.

Ethical Business Conduct

Effective April 24, 2006 and updated and modified as of September 10, 2009, the Board adopted a code of business conduct and ethics (the “**Code**”) which provides a framework of guidelines and principles to govern and encourage honest, ethical and professional behavior in conducting the Corporation’s business. The Code applies to all directors, officers and employees of the Corporation (each, a “**Representative**”).

The Code addresses integrity and accountability in the conduct of the Corporation’s business, conflicts of interest, protection and use of the Corporation’s assets and opportunities, competitive practices, fair dealings with the Corporation’s suppliers, dealing with public officials, political activities, equal opportunities, health, safety and environmental protection, professional courtesy, integrity of the Corporation’s records and financial reporting, and compliance with laws, stock exchange rules and securities regulations, and the reporting of complaints through the procedures set out in the Corporation’s whistleblower policy.

The Corporation establishes procedures from time to time to monitor compliance with the Code. Disciplinary measures may be taken against Representatives who violate the Code. The measures to be taken upon a violation of the Code are dependent upon the circumstances of the violation, and may range from formal sanction or reprimand to dismissal from employment. Violations of the Code are to be communicated to the Corporation’s Chief Financial Officer.

The Code is available on the Corporation’s website at www.andinaminerals.com and is available in print to any shareholder upon request.

Nomination of Directors

The Board, together with the HRCG Committee, is charged with the responsibility of ensuring that an appropriate review selection process for new nominees to the Board is in place. In executing this task, the HRCG Committee considers the competencies and skills that the Board, as a whole, should possess, in light of the fact that different companies may require different competencies and skills for their directors. The HRCG Committee nominates candidates for election to the Board, including a candidate for appointment as Chairman of the Board, and recommends the establishment or disbanding, as the case may be, of Board committees as well as the appointment of committee chairs and committee membership. In nominating candidates for Board membership, the HRCG Committee considers the appropriate size of the Board, in light of the Corporation’s business and with a view to facilitating effective decision making. When vacancies on the Board arise, the HRCG Committee analyzes the applicable needs of the Board and identifies and recommends nominees who meet such needs; taking into account, among other things, the amount of time and resources that a nominee can devote to the Corporation. The HRCG Committee maintains an ongoing succession plan for Board members, ensuring that an

appropriate number of independent directors are in place at all times.

All members of the HRCG Committee are independent within the meaning of MI 52-110.

Compensation

The Board, with the assistance of the HRCG Committee and the Chief Executive Officer, is responsible for reviewing and approving the compensation of the senior management team, and administering the Corporation's compensation policies, including the Corporation's stock option plans. The Corporation's compensation objectives are to recognize and reward performance and establish a compensation framework that is industry competitive, and which results in the creation of shareholder value over the long-term. The Board seeks to ensure that base salaries are competitive relative to the industry and that bonuses, if any, reflect individual performance in the context of the overall performance of the Corporation. Details regarding compensation of senior management are set out above under the heading "Statement of Executive Compensation".

The HRCG Committee is responsible for annually reviewing the compensation of the directors and recommending to the Board any changes where advisable. The HRCG Committee recommends director compensation policies in light of the number of meetings and the amount of time required to be spent by the directors to fulfill their Board and committee obligations. The review of the Corporation's director compensation policies includes comparisons against compensation policies of other companies engaged in business in the same industry as the Corporation. Details regarding director compensation are set out in detail above under the heading "Compensation of Directors".

Other Board Committees

The Corporation has established two Board committees: the Audit Committee and the HRCG Committee. Both committees operate in accordance with a committee charter that sets out its role and purpose, composition, meeting procedures and responsibilities. Committee members must be directors of the Corporation and must satisfy the Board's independence standards. During 2009, all members of the Board committees met the Board's independence standards.

All other matters that do not fall within the responsibilities of the Audit Committee or the HRCG Committee are considered by the Board as a whole. As required by applicable law or when circumstances warrant, the Board may strike *ad hoc* committees.

The Audit Committee

The members of the Audit Committee are Mr. Melvyn Williams (Chairman), Mr. T. Sean Harvey and Mr. R. Gregory Laing, all of whom are independent directors and financially literate within the meaning of MI 52-110.

The Audit Committee meets at least four times per year. Furthermore, the Audit Committee meets separately with each of management and the external auditors at least once per year. The Audit Committee is responsible for, among other things, overseeing the integrity of the Corporation's financial statements and reviewing financial reports and other financial information provided by the Corporation to any governmental body or the public and other relevant documents, recommending the appointment and reviewing and appraising the audit efforts of the Corporation's external auditors, and serving as an external and objective party to oversee and monitor the Corporation's reporting process and internal controls. Through meetings with external auditors and senior management, the Audit Committee discusses, among other things, the effectiveness of the internal control and management information systems established for the Corporation.

Additional information regarding the Audit Committee can be found under the heading "Audit Committee Information" in Appendix "B". A copy of the Audit Committee charter can be found as Schedule I to Appendix "B".

The Human Resources and Corporate Governance Committee

The HRCG Committee is comprised of R. Gregory Laing (Chairman), T. Sean Harvey and J. Eduardo Rosselot, all of whom are independent directors. The HRCG Committee meets at least once per annum or more frequently as circumstances require. The HRCG Committee reviews compensation matters relating to executives, senior management and directors, the administration of the Corporation's stock

option plans and matters relating to the corporate governance of the Corporation. The HRCG Committee is also responsible for nominating candidates for election to the Board, and maintaining ongoing succession planning for Board members.

Through meetings with legal counsel and senior management, the HRCG Committee discusses, among other things, the effectiveness of internal corporate governance control procedures established for the Corporation. The corporate governance policies and statements of the Corporation are reviewed annually by the HRCG and the HRCG Committee makes appropriate recommendations to the Board as required.

Assessments of the Board, the Board Committees and the Individual Directors

The Board Charter requires the Board, with the assistance of the HRCG Committee, to annually evaluate and review its own performance and that of its committees and its individual directors. The Board, together with the HRCG Committee, evaluates the responsibilities of the Board and its members and the performance and contribution of individual members of the Board in their capacity as directors and as members of any Board committee and recommends timely changes in the role, size, composition and structure of the Board and the Board committees.
